

World of Parties – Giant Inflatable Slide Risk Assessment

Risk	Existing Control Measures	Likelihood 1 – 5	Harm 1 - 5	Risk 1 – 5	Further controls to reduce risk	Risk acceptable Y/N
Over Enthusiastic Participants	Supervision at all times	2	1	1	Show users safe use of the inflatable before use	
Jumping off the front of the unit	supervision at all times	1	1	1	Additional mats provided at the front of the inflatable however our slide does not have a step this is a complete run off as a slope, so this will stop participants standing/bouncing on the front of the slide	
Larger users colliding with smaller users	Supervision at all times	1	1	1	Participants are put in to similar age and heights before using the equipment, one participant down the slide at any one time with the other participants asked to wait until the bottom of the slide is clear.	
Falls from Heights	Staff Supervision at all times	2	5	1	Do not allow users to climb walls or beams, our slide is designed in a way that no participant will be able to reach the wall heights, Show users safety use before proceeding to use the equipment	
Tripping over anchorage	All anchorage points used as per	1	1	1	In events with a large number of attendee's
